**DO NOT BRING:**

- Weapons of any kind (i.e., guns, knives, lighters)
- Immodest or inappropriate clothing (see dress code)  
*Parents: Students don't automatically understand the reason behind certain rules, so make sure to explain it to them. They're far more likely to keep the rules if they know the 'why' of rules. You may think that it's perfectly clear why modesty is good, but they don't necessarily do.*
- Food (ants are a problem, so don't bring)
- Do not bring any electronics (No iPad, iPods, tablets, or computers) except for your cell phone if you have one.

**OPTIONAL:**

Please try to consolidate your items into a large duffle bag or suitcase. It helps with packing bags for travel and allows easier access to your belongings.

Please bring an extra tote bag or backpack for getting from class to class. The bag your kit comes in is not meant to haul your things. The teaching materials get ruined, and the bag will break down.
